to a super
person. I'm so glad
we met we had a lot of
good times at the academy. You
hope you'll find out
want to do. Good luck
Keep in touch. Don't

In years to come, as
I look back, how will I
remember 1979?

Will I remember the
year as it was or how I
wanted it to be? —

— Will I remember only the
happy times or the disappointments
we also shared —

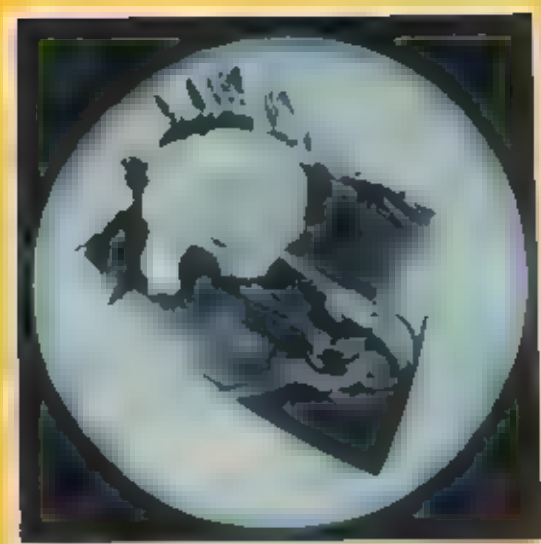

— Did I express myself to the fullest extent and yet keep an open mind which welcomed the thoughts and opinions of others? —

— Will I recall the good times of shared laughter that came from such simple things as having a coke or enjoying the fresh spring sun? Was I alone, or was I a real part of them. WHAT WILL I REMEMBER? —

We the staff of the 1978-79 SPIC hope that you, the students retain many fond memories from the pages of this yearbook.

Respect and admiration best describe U of M's and Owosso's most loyal fan, a teacher, trainer, and a friend to all, a man who always gives his time freely to others.

The 1979 SPIC staff wish to honor Mr. Mark Willerer by dedicating our 1979 book to him.

The girl's swim team, in their first year of existence at OHS, Managed nothing more than a winless season. This isn't unusual for a program that is just getting off the ground. With only one senior on the team, the majority of the tankers will return next year with a little more experience, which should be to their benefit.

A young golf team produced a good 9-6 record. Underclass strength played a vital role during the course of the season.

With seniors Gorman and Johnson leading the way, the Hackers spoiled a good share of their opponents' seasons which otherwise would have gone unmarred.

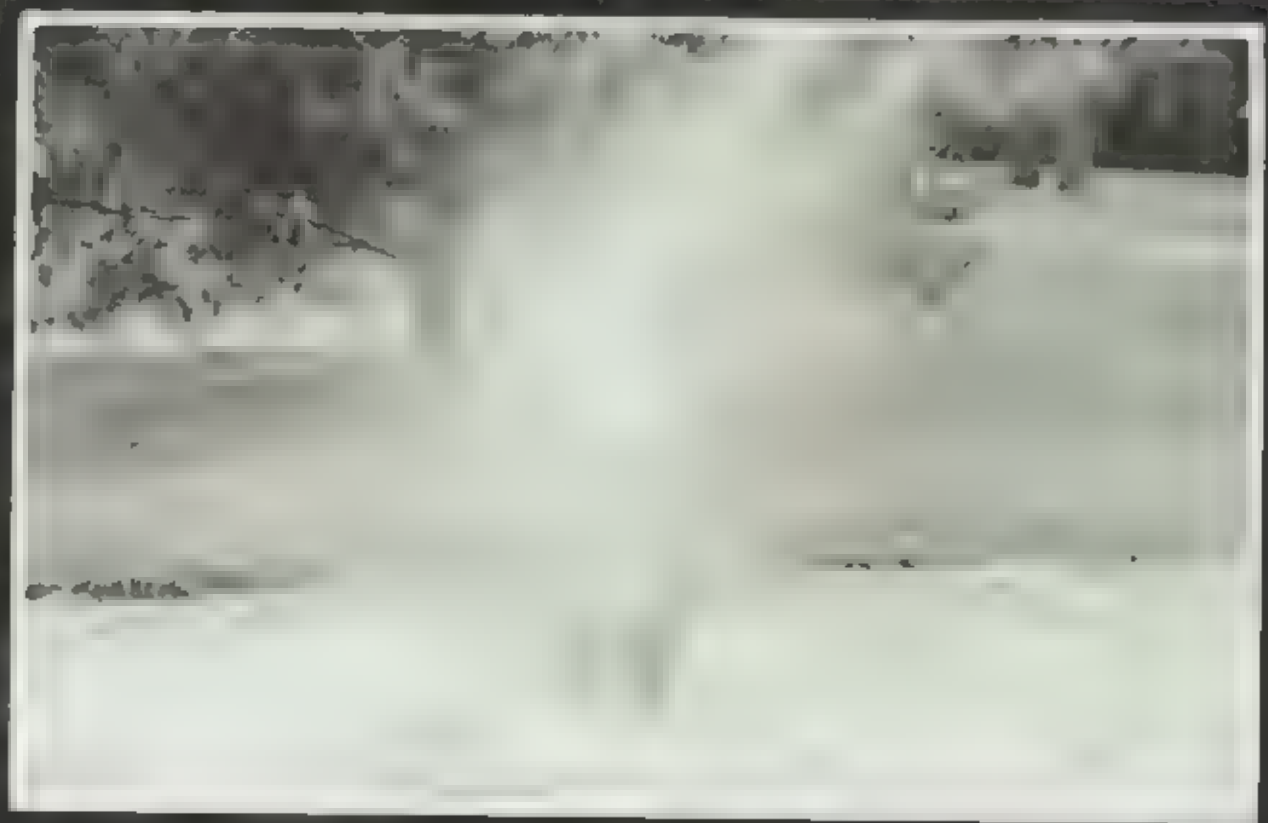

Many returning lettermen will make next year's team a title contender.

A new program, lack of experience, and a young team featured the first OHS girl net squad.

Here we go again!

Coach Fata's girls came through with a 6-7 won and loss record.

Although young and inexperienced, the skills they learned and the improvement they showed during the course of the season gives us a shiny outlook for next year.

Coach Warner was initiated into the varsity coaching ranks with a group of inexperienced eagers on hand.

After suffering through nine straight losses, the Trojans continued improvement enabled them to post some key wins late in the year.

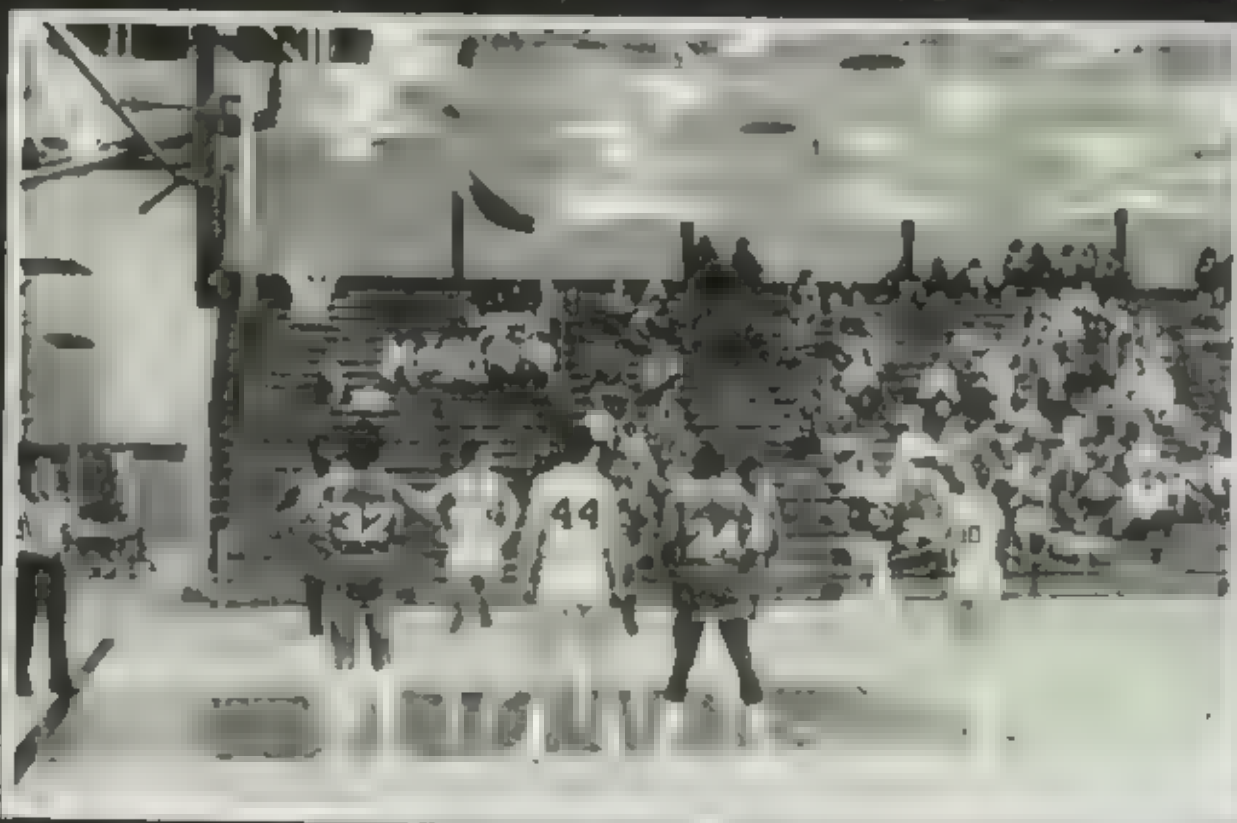

With only one senior leaving, we can look forward to a much better season next year.

Gordie's wrestlers experienced a bad season compared with Coach Weeks' usual teams. Youth and inexperience were the detrimental factors in this year's slow season. Things are looking up for next year as Coach Weeks will have many seasoned lettermen returning.

No real threat in the sprints proved to be the undoing of Coach Millers team.

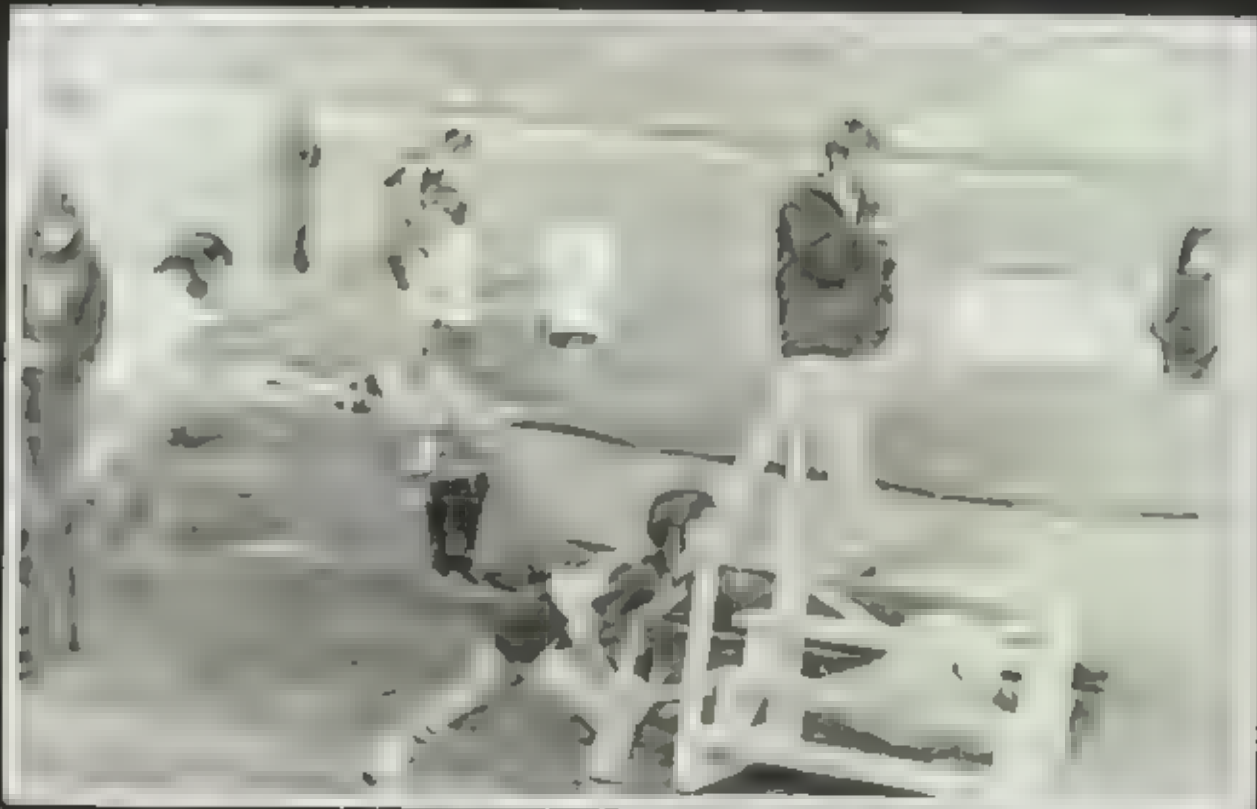

Some excellent efforts in the field events were the years brightest moments to remember.

Tracy clears the hurdle in her big win against the Cardinals.

Shelley sets shot record with a big toss against Clu.

Mary gets ready to start the 440 relay against Fleming Raiders.

Net Team Rebuilds

Four returning lettermen made up the nucleus of this years team.

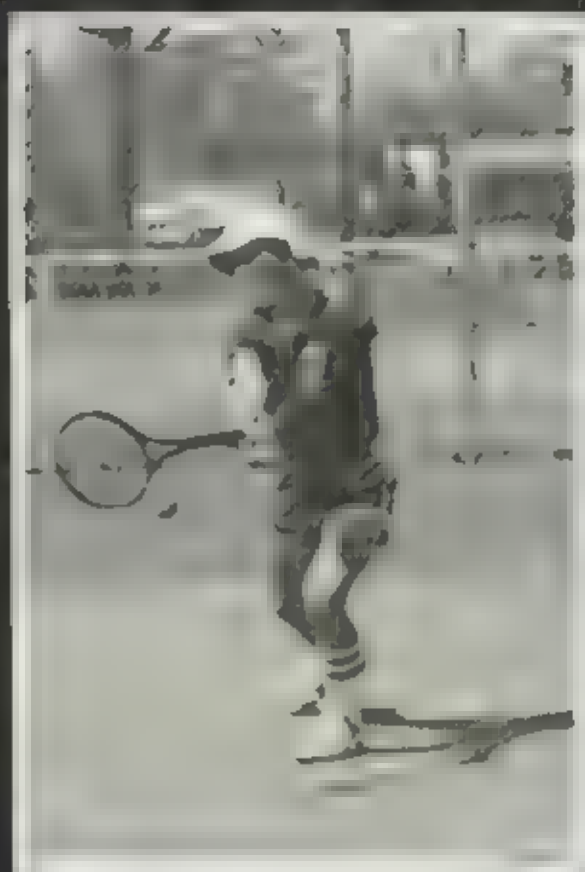

Despite a definite lack of experience the Netters enjoyed a highly competitive year winning a good share of their matches.

Weekley hits a boomer for an ace against the Raiders.

Good efforts were turned in throughout the year, and the young team surprised a lot of teams by winning several key matches.

Yervick wins a big point with a good backhand volley.
